II (1) Memo No: 590 dated 13th June 1903, enclosing Government Order No: 2163 dated 11th June 1903, desiring the opinion of the committee on the matter of providing a better concession in the payment of Surrender Value to Insured Officials who are compelled to retire from Service without their fault with further Memo. No: 103 dated 7-8-03, enclosing further observation of Government on the same subject, is brought up for disposal again as ordered in the last meeting.

(2) Memo No 233, dated 31st January 1903 enclosing docket No 10558/P.A. 835, dated 9th Jany 1903, observing that when Govt Servants are transferred to the Service of the Palace they may be permitted to continue to enjoy the benefit of the Insurance Rules but that it is not desirable to make Insurance compulsory in the case of Palace Servants pure and simple and request ing to be favoured with the

" On a careful consideration of the question, the committee are unanimously of opinion that in the matter of payment of Surrender Value under Rule 10, a distinction should be made between officials that cease to be in Government Service on account of their own short comings and those that are compelled to do so under circumstances over which they have no control, and they accordingly resolve that the Surrender Value in the case of the latter class of officials be fixed at 75 percent. The Rules may be modified accordingly.

" Under the existing rules an official of Government transferred to the Palace may be treated as an official who has resigned Government Service and may continue to hold his existing Policy. He cannot, however, be admitted to further Insurance on the increases to his pay in the Palace belong as such further Insurance is not made compulsory as in the case of Government Servants. A reply

mems of the Committee on the Subject with a draft rule for the consideration of Government. Memo No 366 dated 2-4-03, whether Policy No: 5243 can be regarded as a completed contract under the circumstances mentioned in the Memo i.e, that the completion of the contract took place at a time when the parties to the contract were under a mistake as to one of its essential conditions.

may be sent to Government accordingly.

" The first premium due on the Policy No 5243 was paid by the Insured in due time and accepted by the Shimoga District Treasury. The subsequent premia were also paid to end of June 1902, when the Insured was informed that his resignation was accepted from the date of the expiry of the 15 days leave granted to him on 25-12-01, as no extension of leave or a transfer to a Mavidavu District as prayed for by him could be granted. On the date of the completion of the contract viz., on the day on which the First premium was paid, the status of the Insured as an employee of Government was not altered. Under these circumstances the Committee resolve, Mr. N.V. Nanjunday dissenting, that the Policy may be regarded as a completed Policy and the Insured permitted to continue to pay the premium due thereon till it matures as provided in Rule 26.

(7) Memo No 20 dated 8-7-03, For orders as to whether Proposals once rejected can be sent back to the Medical Officer, if required, for reference at the

" on a careful consideration of this important question, the Committee resolve that a change in the Rules is not at present desirable and that therefore those rules may stand.

" Resolved that the Government may be once again addressed to impress on the Heads of Departments and Offices the necessity for their seeing that the Members of their Establishment do not evade the Insurance Rules requiring prompt Insurance.

" The Committee resolve that the action of the Deputy Commissioner in ordering the payment of the Bonus of Rs 194-8-0 due on matured Policy No: 153, to Seenappa was not quite regular but that the Policy having been surrendered the Receipt may be accepted as a final discharge.

" Resolved that Medical Reports on which proposals for Insurance have once been rejected may be forwarded for reference to the Examining
